

Checklist: FINANCES

You need to ensure that you have appropriate access to funds while traveling –

- Research the exchange rate
- Arrange for access to emergency funds
- Research and understand the local banking system (ATM cards and certain credit cards may not be accepted)
- Contact your bank and
 - Inform them that you are traveling and the duration of your trip
 - Mention any and all countries you may be visiting
 - Set a “limit” for daily withdrawals/expenditures on credit cards
 - Set up a way to contact your bank in case you need to re-activate your card
